GOD'S MISSION

100-WORD VERSION

God loved into creation—
the universe, earth, humanity. It
was diverse, and it was good.

Human sin entered and distorted
our relationship with God, one
another, and creation.

God yearns to make all whole
again. This is God's mission.

God chose and liberated a people,
sent the law and the prophets.

God came in Jesus, fully
human and fully divine.

In Jesus' life, death and
resurrection we are restored to
unity with God and each other.

God sent the Holy Spirit,
empowering the Body of Christ.

God co-missions us in
baptism to participate in God's
mission of restoration and
reconciliation.
